8. WINNER SELECTION AND NOTIFICATION

Pending confirmation of eligibility, potential prize winners will be selected by Microsoft or their Agent or a qualified judging panel from among all eligible entries received based on the following judging criteria:

- 30% - Originality - Unique idea or new approach to solve a problem
- 35% - Technical Innovation - Creative use of the Santa Cruz dev kit and/or Azure AI and/or IoT Services and/or other related technical elements
- 35% - Solution Potential - Valuable, useful, and/or helpful to potential customers (big problem scope and high potential demand)

Winners will be selected from among all eligible entries received within 7 days following the Entry Period. In the event of a tie between any eligible entries, an additional judge will break the tie based on the judging criteria described above. The decisions of the judges are final and binding. If we do not receive a sufficient number of entries meeting the entry requirements, we may, at our discretion, select fewer winners than the number of Contest Prizes described below. If public vote determines winners, it is prohibited for any person to obtain votes by any fraudulent or inappropriate means, including offering prizes or other inducements in exchange for votes, automated programs, or fraudulent ID's. Microsoft will void any questionable votes.

Winners will be notified via the contact information provided during entry no more than 7 days following judging with prize claim instructions, including submission deadlines. If a selected winner cannot be contacted, is ineligible, fails to claim a prize or fails to return any Forms, the selected winner will forfeit their prize and an alternate winner will be selected time allowing. If you are a potential winner and you are 18 or older but have not reached the age of majority in your place of legal residence, we may require your parent/legal guardian to sign all required forms on your behalf. Only three alternate winners will be selected, after which unclaimed prizes will remain unawarded.
